

CURRICULUM VITAE

A. Contact Data

1. Name:

First	Second	Family
HISHAM	AHMED MOHAMMED ALI	MOSLI

Home Address:

2.P.O. Box: 80215
3.City: JEDDAH 21589
4.4178 Al-Rehab District, Ashraaf Street
5.Country: SAUDI ARABIA
6.Area code and Phone Number:
+966-2-6192242
12.E-mail: hmosli@hotmail.com
14.Fax: +966-2-6761272

Business Address:

7.P.O. Box: 80215
8.City: JEDDAH
9.Postal Code:21589
10.Country: SAUDI ARABIA
11.Area code and phone number:
+966-2-640-8346
13.Fax:+966-2-640-8347
15.Department: Urology

B. Personal Data

Sex: Male

Date and Place of Birth

March 06, 1954 (1374H)Makkah, Saudi-Arabia

Native Language: Arabic

Citizenship: Saudi Arabia

Religion: Muslim

Marital Status: Married

C. Educational Data

22. Academic History (Please List Highest Degree first)

Degree	Year	Name of Institute	Major Field of Study	Country
Diplomat, Board re-certification.	1997	American Board Of Urology (USA)	Urology	USA
Diplomat, Board certification.	1988	American Board of Urology (USA)	Urology	USA
Specialist certificate in Urology and Clinical Fellowship.	1986	Royal College of Physicians and surgeons of Canada	Urology	Canada
Certificate of training in Urology.	1985	University of Ottawa, Canada.	Urology	Canada
Rotating Internship	1978-1979	Cairo University Hospital	Medicine and Surgery	Cairo, Egypt
M.B.B.Ch., overall grade: Very Good	1977	Cairo University	Medicine and Surgery	Cairo, Egypt

23. Vocational/Technical Training (if any):

Name of	Year	Name of Institution	Study Area	Country
Residency	March 1979- May 1980	King Abdulaziz University Hospital (KAAUH)	Residency training in general surgery and Urology.	Saudi Arabia, Jeddah
Residency	Jan.1981- June 1982 July 1982- June 1983	Ottawa Civic Hospital, Eastern Ontario, Ottawa.	Residency training in Urology	Ottawa, Canada
Residency	July 1983- June 1985	Ottawa Civic and Ottawa General Hospital Eastern Ontario, Ottawa	Residency training in General Surgery including 3 months rotation in ICU.	Ottawa, Canada

Residency	July 1985- Dec.1985	Ottawa Civic, General Hospitals and Children's Hospital of Eastern Ontario.	Residency training in Urology. Including 6 months in paediatric urology and 3 months in nephrology and dialysis.	Ottawa, Canada
Training Course	March 1988	(Siemen's Lithostar).	Training in ESWL.	West Germany
Training Course	Nov. 1992	Riyadh, Saudi Arabia	Course in Urological Laparoscopy	Riyadh, Saudi Arabia
Training Course	Nov. 1993	Copenhagen, Denmark	Training in Urological Ultrasound.	Copenhagen, Denmark
Training Course	May 1995	East Surrey Hospital Redhill, England.	Course and training in Urological Laser applications and laser prostatectomy.	Redhill, England
Training Course	December 1995	KAAUH, Jeddah	Course in Pain management, Organized by Tufts University	Jeddah, Saudi Arabia
Training Course	Nov. 2007	IRCAD-EITS, Strasbourg, France	Training on Robotic surgery	Strasbourg, France

24. Current Specialization:

M.B.B.Ch, F.R.C.S (C), F.A.C.S,

Diplomat, American Board of Urology.

Professor of Urology and Consultant Urologic Surgeon

25. Special skills/interests and activities

1. Clinical teaching of 4th, 5th and 6th year medical students
2. Awarded "**excellent**" in student teaching during the survey conducted by the faculty medical education unit on medical students of different grades in 1996.
3. Participated in lecturing for the surgical FRCS course held from January 30th to February 18th, 1993.
4. Interested in the fields of Prostatic diseases, Paediatric Urology, Stone disease & ESWL, Andrology & Male infertility and Infectious diseases of the genitourinary tract..
5. In April 1988, I shared in establishing and operating the ESWL unit (Siemen's Lithostar) at king Abdul-Aziz University Hospital in Jeddah, Saudi Arabia.

6. Member of the Infection Control Committee at King Abdulaziz University Hospital in Jeddah, Saudi Arabia, 1991-1996 and shared in the preparation of the hospital manual.
7. In November 1993, I established the concept of performing Trans-rectal ultrasonography by the Urologists in the university hospital in Jeddah and I perform this procedure routinely for the diagnosis and management of prostatic diseases
8. In October 1995 I established the Urology department in the United Doctors Hospital including a third generation Siemens Multiline ESWL unit.
9. Member of several administrative committees in the Faculty of Medicine and Health Sciences.
10. Reviewed several urological papers on the behalf of the Saudi Medical Journal.
11. Member of the National Geographic Society.
12. In 1997, I shared in establishing and operating the ESWL unit (Dornier unit-50) at the new king Abdul-Aziz University Medical Centre Hospital in Jeddah, Saudi Arabia.
13. Member of faculty: Course for the Saudi Board, Arab Board (OB. / Gyn.), MRCOG Part II, Oct. 16-27, 1999: Course given: Incontinence in the female and the role of the urodynamics.
14. Member of faculty: Course for the Saudi Board, Arab Board (OB./ Gyn.), MRCOG Part II, Oct.14-25, 2000: Course given: Incontinence in the female and the role of the urodynamics
15. Member of faculty: Course for the Saudi Board, Arab Board (OB. / Gyn.), MRCOG Part II, Oct.13-25, 2001: Course given: Incontinence in the female and the role of the urodynamic studies.
16. Member of faculty: Course for the Saudi Board, Arab Board (OB. / Gyn.), MRCOG Part II, Oct.12-23, 2002: Course given: Incontinence in the female and the role of the urodynamic studies.
17. Member of faculty: Course for the Saudi Board, Arab Board (OB. / Gyn.), MRCOG Part II, November 30, 2003: Course given: Incontinence in the female and the role of the urodynamic studies.
18. External examiner: The Egyptian Fellowship program in Urology, Clinical & OSCE November 27-29, 2005, Cairo, Egypt.

26. Professional and Organization Memberships

DATES	INSTITUTION	MEMBERSHIP
1986	Royal College of Physician and Surgeons of Canada	Fellow (FRCSC)
1986	Canadian Urological Association	Active member
1988	Arab Association of paediatric Surgeons	Founding member
1991	European Society Of Paediatric Urologists (ESPU)	Corresponding member
1992	American Urological Association (AUA)	Corresponding member
1993	Saudi National Prostate Health Council (SPHC)	Member

1993	American College of Surgeons (ACS)	Fellow (FACS)
1997	Endourological society	Member
1997	The British Association of Urological Surgeons (B.A.U.S)	Corresponding member
1999	The European Association of Urology	Corresponding member
2005	The Saudi Urological Association (SUA)	Founding member and the first president of the SUA

27. Published Papers: Please see attached sheet(s)

28. Present Employer: King Abdulaziz University

29. Title: *Professor of Urology, Dean Faculty of Pharmacy*

30. Date of Employment: Since: 1979

31.EMPLOYMENT HISTORY

PRESENT EMPLOYMENT

1. *Dean, Faculty of Pharmacy, King Abdulaziz University, Jeddah, Saudi Arabia*
2. Professor of Urology, Department of Urology, King Abdulaziz University
3. Chairman of the scientific Council, The Saudi Board of Urology
4. Chairman of the Saudi Urological Association- Feb. 2006
5. Chairman of the Jeddah Urology club
6. Examiner, the Saudi Board of Urology
7. Director of the bioavailability and bio-equivalency research laboratory, King Fahd Centre for medical research, King Abdulaziz University, Jeddah, Saudi Arabia.

32.PREVIOUS EMPLOYMENT

(POSITIONS PREVIOUSLY HELD):

1. Vice Dean for postgraduate studies and research. Faculty of Medicine, King Abdulaziz University.
2. General Secretary of the faculty Board, Faculty of Medicine, King Abdulaziz University.
3. Member of permanent committee for scientific promotion: King Abdulaziz University.
4. Member of permanent committee for scholarship and training: King Abdulaziz University.
5. Member of permanent committee for appointing residents and demonstrators: King Abdulaziz University.
6. Member of permanent committee for post-graduate acceptance and registration: King Abdulaziz University.
7. Member of The Deanship council for post-graduate studies: King Abdulaziz University (3rd term).
8. Consultant urologist, the medical centre of King Abdulaziz University Hospital.
9. Member of the supervisory committee on Urological training in the western section of Saudi Arabia.
10. Chairman of committee on post-graduate studies, Faculty of Medicine, King Abdulaziz University.
11. Chairman of committee on scientific research, Faculty of Medicine, King Abdulaziz University.
12. Chairman of the supervisory committee on the training for certification by The Royal College of Pathology (England), Faculty of Medicine, King Abdulaziz University.
13. Chairman of supervisory committee on residents training, King Abdulaziz University hospital, Faculty of Medicine, King Abdulaziz University.
14. Member of committee on accreditation and training: The Saudi Board of Urology.
15. Chairman, Department of Urology, King Abdulaziz University: 1997-2003.
16. Member of the Board of directors, King Fahad Medical Research Centre: 1996-2000.
17. Member of the medical research ethics committee: King Abdulaziz university medical centre: 1998-2000.
18. Member of the infection control committee: King Abdulaziz university hospital: 1991-1996.
19. Chairman of the committee on training in the Western region, The Saudi Board of Urology.
20. Chairman of the examination committee, The Saudi Board of Urology.
21. Member of the Deanship Council for post-graduate studies, King Abdulaziz University (two previous terms).

22. Member of committee on post-graduate studies, Faculty of Medicine, King Abdulaziz University.
23. Member of the Saudi Prostate Health Council (SPHC).
24. Member of the Robot operating team, certified Robotic consul surgeon.
25. Expert in laser prostatectomy including **Green light laser**.

PAPERS SUBMITTED FOR PUBLICATION

1. Tayib AM, **Mosli HA**, Farsi HMA, Atwa MA, Saada, HA: 5 years experience in the management of post-swll steinstrasse, 2008
2. Tayib AM, **Mosli HA**, Farsi HMA, Atwa MA, Saada, HA: Clinical experience of shockwave lithotripsy treatment for 2241 renal calculi, 2008

MEETINGS, CONFERENCES AND COURSES ATTENDED

1. Symposium on Endourology & Shockwave Lithotripsy, College of Medicine, King Saud University, Riyadh, Saudi Arabia, 4-5 April, 1987.
2. The Fifth World Congress on Endourology & ESWL, Cairo, Egypt, November 1-4, 1987.
3. Uroradiology Course, Armed Forces Institute of Pathology, Washington, D.C., USA, 10-11 February, 1988.
4. Genitourinary Pathology Course, Armed Forces Institute of Pathology, Washington, D.C., USA, 12-17 February, 1988.
5. Training in Second Generation Shockwave Lithotripter (Siemen's Lithostar), West Germany, March 1988.
6. Workshop on Student's Performance Evaluation, College of Medicine and Allied Sciences, King Abdul-Aziz University, Jeddah, Saudi Arabia, 3-7 December, 1988.
7. The Fifth Saudi Urological Meeting, King Fahad Military Complex, Dhahran, Saudi Arabia, 22-23 March, 1989.

8. Recent Advances in Clinical Neuroscience, Faculty of Medicine and Allied Sciences, King Abdulaziz University, Jeddah, Saudi Arabia, 7-8 November 1989.
9. First Annual Meeting of the Saudi Obstetric & Gynaecology, Jeddah, Saudi Arabia, 29-30 May 1990.
10. Combined American Urological Association and Canadian Urological Association Annual Meeting, Toronto, Ontario, Canada, 2-6 June 1991.
11. Courses attended during the 1991 AUA meeting: Stone disease: Evaluation & Mgmt., use of laparoscopy in Urology Practice, Office Evaluation of Infertility, Male Erectile Dysfunction, General Urological Ultrasound, Balloon Dilatation of the prostate, Hypospadias Techniques & Surgery, Update in Paediatric Urology, Endoscopic bladder suspension, Laparoscopy, Vesico-Vaginal Fistula and Non-Surgical Management of BPH.
12. The Sixth Saudi Urological Meeting, King Khalid National Guard Hospital, Jeddah, Saudi Arabia, Nov. 21-22, 1991. **Member of the scientific committee.**
13. The Seventh Saudi Urological Meeting, Riyadh Armed Forces Hospital, Riyadh, Saudi Arabia, Nov. 11-12, 1992.
14. The Eighth Saudi Urological Meeting, King Fahad Military Complex, Dhahran, Saudi Arabia, Nov. 9-10, 1993.
15. The Ninth Mediterranean Congress of Chemotherapy, Milan, Italy, 12-17 June, 1994.
16. Symposium on Benign Prostatic Hyperplasia: Security Forces Hospital, Riyadh, Saudi Arabia, Nov. 10, 1994, **Member of the organizing committee.**
17. Combined meeting of north eastern section of the American Urological Association (47th annual meeting) and the Egyptian Urological Association (30th annual meeting), Cairo, Egypt, October 16-20th, 1995.
18. The Ninth Saudi Urological conference, Jeddah, Saudi Arabia, November 14-16th, 1995: **Vice president of the scientific committee and member of the organizing committee.**
19. The American Urological Association 91st Annual Meeting, May 4-9, 1996, Orlando, Florida, USA.
20. The following courses attended during the 1996 AUA meeting: UTI and Prostatitis, Stone disease (Preminger), Stone disease (Dretler), Research statistics, BPH where are we 1996, Practice SWL, Hypospadias surgery, Prostate cancer, Prostate ultrasound.
21. The Sixth joint meeting of the International Prostate Health Council (IPHC) and the Prostate Health Councils (PHCs) 7-8 November 1996, Madrid, Spain.
22. The Tenth Saudi Urological conference, 26-28 November 1996, Riyadh, Saudi Arabia. **Attended and participated as Chairman of a session.**
23. The 14th Basic Urodynamics Course, 8-9th April 1997: Paul Abram, Bristol Urological Institute (Associated with the University of Bristol), Bristol, England.

24. First Arab Urological Conference, 26-28 June, 1997, Sousse, Tunis. **Attended and participated as Chairman of a session.**
25. The Eleventh Saudi Urological conference, 24-26 February 1998, Al-Khobar, Saudi Arabia **Attended and participated as Chairman of a session.**
26. The 2nd International Workshop on Genito-Urinary Diseases; November 19-22, 1998, King Faisal Specialist Hospital and research Centre, Riyadh, Saudi Arabia. **Attended and participated as a co-moderator of a session and member of the panels.**
27. The 1st KAUH course in clinical urology, February 6-11, 1999: course organiser, program director and member of the course faculty .
28. The 2nd continental Meeting of African Society of Impotence Research (ASIR), February 10-12, 1999, Cairo- Egypt.
29. The 12th Saudi Urological conference, 23rd- 25th February 1999, Al-Hada, Saudi Arabia Member of both the scientific and organising committees, Attended and participated as Chairman of a session.
30. The XIVth European Association of Urology (EAU) congress, April 7-11, 1999, Stockholm International Fairs, Stockholm, Sweden.
31. The 1st International Consultation on Erectile Dysfunction, Paris 1-3 July 1999.
32. The 34th Annual meeting of the Egyptian Urological Association, Aswan- Egypt, November 7-12, 1999.
33. The 13th Saudi Urological conference, 13th - 17th February 2000, Riyadh, Saudi Arabia. Invited speaker, Lecture: BPH-The Saudi Perspective.
34. The 1st Mediterranean Congress of Sexual Dysfunction, 29-31 March, 2000, Cairo, Egypt.
35. The XVth European Association of Urology congress, April 12-15, 2000 Brussels, Belgium.
36. The 95th AUA meeting , Atlanta, Georgia, April 29-May 4, 2000.
37. Courses attended during the 95th AUA meeting: Sharlip: Diagnosis and treatment of erectile dysfunction; Parsons: Interstitial cystitis and Schaeffer: Diagnosis and management of chronic prostatitis.
38. Item Writing Workshop, The Saudi Council for Health Specialties, Riyadh, Saudi Arabia, Nov. 11-13, 2000.
39. The 14th Saudi Urological Meeting, King Fahad Military Complex, Dhahran, Saudi Arabia, 13-15 February 2001, Attended and participated as a chairman of the session on Pediatric Urology.
40. The XVIth European Association of Urology congress, Geneva, Switzerland, April 7-10, 2001
41. The 1st workshop on planning for future strategies of research in King Abdulaziz University, 17-18 October 2001, Jeddah, Saudi Arabia
42. The 36th Annual meeting of The Egyptian Urological Association, November 5-8, 2001, Sharm El Sheikh / Red sea, Egypt. Attended and participated as a chairman of a session.
43. The 1st international Consultation on Nocturia: February 22nd 2002, London, England.
44. The XVIIth European Association of Urology congress, Birmingham, England, February 23-26, 2002

45. The 15th Saudi Urological conference: King Fahad general hospital , Al-Madinah Al-Minwarah, Saudi Arabia, May 6-9, 2002. Chairman of the scientific committee, Chairman of the reconstructive surgery session.
46. The 10th World Congress of International Society for Sexual and Impotence Research Montreal, Canada-September 22-26, 2002
47. International Symposium and Workshop on “Assessing Application of knowledge with Written Tests and Objective Structured Clinical Examinations”. Faculty of Medicine and Allied Sciences, King Abdulaziz University, Jeddah, Saudi Arabia. October 28th – 30th 2002 (CME 14).
48. Workshop on Female Incontinence & Urodynamics course: King Faisal Specialist Hospital and Research Centre: Riyadh, Saudi Arabia, 31 October- 1 November 2002 (CME 8 hrs.)
49. 4th Biennial Congress of African Society of Sexual & Impotence Research, 2-4 April, 2003 Marrakech-Morocco.
50. SIU Uro-Oncology Meeting, October 19-23, 2003, Sharm El-Sheikh, Egypt.
51. Workshop on “ Strategic Action Planning for the Faculty of Medicine”, Faculty of Medicine, King Abdulaziz University Hospital, Jeddah, Saudi Arabia December 15&16, 2003 (CME 10 hours).
52. The 16th Saudi Urological conference, March 2-4, 2004, King Faisal Specialist Hospital and Research Centre: Riyadh, Saudi Arabia, Coordinator of a session on non-urothelial GU cancer. (12 CME hours).
53. The XIXth European Association of Urology Congress, ACV, Vienna, Austria, 24-27 march 2004.
54. Workshop on Quality assurance and Accreditation: Cairo university-Arab Association for post-graduate studies and scientific research. Cairo-Egypt, September 4-9, 2004.
55. Saudi Society for Medical Education, The first scientific meeting, Abha, Saudi Arabia, November 21-23, 2004 **(6 CME hours)**.
56. The first Middle-east workshop on Nocturia, Beirut, Lebanon, Dec.9-11, 2004.
57. The 17th Saudi Urology Conference: March 8-10, 2005, King Fahad Military medical Complex, Dhahran, Saudi Arabia, Coordinator of a session on Oncology. **(14 CME hours by SCHS)**.
58. XXth EAU Congress, CNR, Istanbul, Turkey, 16-19 March 2005.
59. VII International Meeting of The Pan African Urological Surgeons Association, May 13-16, 2005 Cairo, Egypt. Participated and co-chaired the session on Laparoscopy on Sunday May 14, 2005.
60. The 6th International Consultation on New Developments in Prostate Cancer and Prostatic Diseases, Palais des Congres, Paris, France June 24-27, 2005.
61. The International Continence Society 35th Annual Meeting, Palais des congres de Montreal, Canada, August 28 to September 2, 2005.
62. The Fifth Saudi Paediatrics Urology meeting, Aseer Central Hospital-Abha, Saudi Arabia. Attended and chaired a scientific session, **(12 CME credit hours by SCHA)** Sept.21st & 22nd, 2005.

63. Department of Urology-RAFH, 25th Anniversary Symposium on 18th December 2005 at Riyadh Armed Forces Hospital **(6 CME credit hours by SCHS).**
64. The 18th Saudi Urology Conference: Feb. 20-23, 2006, King Abdulaziz University, Jeddah, Saudi Arabia: I organized the Conference, Chairman of both the organizing and scientific committees, **(26 CME hours by SCHS)**
65. Kuwait-Cleveland Laparoscopic Urologic Conference, State of Kuwait, March 12-14, 2006, Main Speaker and life transmission of laparoscopic urologic surgeries: Dr. Gill, Cleveland clinic, USA.
66. 21st Annual EAU Congress, 5-8 April 2006, Paris, France.
67. 3rd Pan Arab Continence Society (PACS) Congress: 2-4 November 2006, Manama, Bahrain. Attended and participated as a co-chairman of a scientific session.
68. Workshop on Development of leaders' skills: Centre for Teaching and Learning Development, King Abdulaziz University: November 22-23, 2006.
69. Kuwait Laser Prostatectomy Conference 9-10 December 2006 **(10 CME credit hours No.100/S1/Dec. 06).**
70. The 41st Annual meeting of The Egyptian Urological Association, Dec.13-17, 2006, Cairo, Egypt. Attended and participated as a co-chairman of a session.
71. The 19th Saudi Urology Conference: Feb. 26- March1, 2007, King Saud University, Riyadh, Saudi Arabia: Chairman of a session, **(23 CME hours by SCHS)**
72. International Symposium on Intersex disorders: Management and Ethics.7-8 March 2007, King Abdulaziz University, Jeddah, Saudi Arabia. Chairman of a session, **(7 CME hours by SCHS).**
73. 22nd Annual EAU Congress, 21-24 March 2007, Berlin, Germany.
74. The 42nd Annual meeting of The Egyptian Urological Association in Conjunction with the European Urological Association, 27-31 October, 2007, Luxor, Egypt. Attended and participated as a co-chairman of a session.
75. The 6th GCC Medical Education Conference in Conjunction with the 2nd meeting of the Saudi Medical Education Society. 6-7 November 2007, King Abdulaziz University, Jeddah, Saudi Arabia **(12 CME hours by SCHS).**
76. The 20th Saudi Urology Conference: March 17- 20, 2008, King Faisal University, Khobar, Saudi Arabia. Chairman of 2 sessions **(26 CME hours by SCHS)**
77. 23rd Annual EAU Congress, 26-29 March 2008, Milan, Italy.
78. 19th Asir urology Club: May 8th, 2008: Armed Forces Hospital Southern Region. **(7CME hours by SCHS)**
79. The international symposium on all aspects of male circumcision: Ministry of Health, Al-Baha King Fahd Hospital, 15-16 July 2008, Al-Baha, Saudi Arabia. Speaker and Chairman of a session **(15 CME hours by SCHS)**

80. International Continence Society 38th Annual Meeting 20-24 October, 2008, Cairo, Egypt. **(whole event accredited for 18 credit hours by EU*ACME)**
81. 1st KAU international Surgical Congress, 4-5 Nov., 2008, Jeddah, Saudi Arabia: **17 CME hours accredited by the Saudi Council for Health Specialities.**
82. The 43rd Annual Meeting of the Egyptian Urological Association in conjunction with European Association of Urology, 10-14 Nov. 2008, Hurghada, Egypt. Attended and participated as a co-chairman of a session. **(13 EU-ACME 13 European credit points, Plus 2 ESU courses each with 4 European CME credit points= 8 points earned, total 13+8= 21 points)**

PAPERS PRESENTED AT MEETINGS

- Collins JP and **Mosli HA**. *Modified Microsurgical Vaso-Vasostomy Using Tissue Adhesives*. Paper presented at the 40th Annual Canadian Urological Meeting, Montreal, Canada, June 1985.
- Abdul-Halim RE, Werneman KO, Farsi HMA, Rawas MM and **Mosli HA**. *Percutaneous Nephrolithotomy: Trials and Tribulations*. Paper presented at The IV congress of The International Society of Urologic Endoscopy, Buenos Aires, Argentina, 1987.
- Abul-Jabbar HSO, **Mosli HA** and Gazzaz FS. *Chlamydial Infection in Saudi Infertile Patients*. Paper presented in the symposium on Progress in the treatment of Infertility, Riyadh, Saudi Arabia, March, 1989.
- Fatima Al-Otaibi, Abul-Jabbar HSO, **Mosli HA** and Farsi HMA. *Female Genito-Urinary Fistulae, King Abdul-Aziz University Hospital Experience*. Paper presented at The First Annual Meeting of The Saudi Obstetric & Gynaecology Society, Jeddah, Saudi Arabia, 1990.
- Farsi HMA and **Mosli HA**. *Wilm's Tumour*. Paper presented at The 5th Saudi Urological Meeting, Dhahran, Saudi Arabia, March, 1989.
- Farsi HMA and **Mosli HA**. *Second Generation Lithotripter (Lithostar) in the Management of Renal and Ureteric Stones*. Paper presented at The 5th Saudi Urological Meeting, Dhahran, Saudi Arabia, March, 1989.
- **Mosli HA** and Farsi HMA, Al-Zimaity MF, Saleh TR and Al-Zamzami MM. *Vesicoureteral Reflux in Patients with Double-Pigtail Stents*. Paper presented at the Sixth Saudi Urological Meeting, King Khalid National Guard Hospital, Jeddah, Saudi Arabia, Nov., 1991.
- Farsi HMA, **Mosli HA** and Al-Zimaity MF. *Second Generation Lithotripter (Lithostar) in the Management of Primary Ureteric Stones*. Paper presented At the Sixth Saudi Urological Meeting, King Khalid National Guard Hospital, Jeddah, Saudi Arabia, Nov, 1991.
- Al-Zimaity MF, Farsi HMA and **Mosli HA**. *ESWL for Paediatrics Urolithiasis*. Paper presented at THE SIXTH SAUDI UROLOGICAL MEETING, King Khalid National Guard Hospital, Jeddah, Saudi Arabia, Nov, 1991.
- AbdulJabar HSO, **Mosli HA**, Farsi HMA and Al-Etaiby F. *Female Genito-Urinary Fistulae*. Paper Presented At the Sixth Saudi Urological Meeting, King Khalid National Guard Hospital, Jeddah, Saudi Arabia, Nov., 1991.
- **Mosli HA**, Farsi HMA, Farsi HMA, AbdulJabar and Gazzaz S. *The Relationship Between Genital Infection and Type of Infertility*. Paper presented at the Eighth Saudi Urological Meeting, King Fahad Military Complex, Dhahran, Saudi Arabia, Nov. 9-10, 1993.

- Farsi HMA, **Mosli HA** and Al-Zimaity MF. *Double Pig-Tail stents Associated Bacteriuria*. Paper presented at the Eighth Saudi Urological Meeting, King Fahad Military Complex, Dhahran, Saudi Arabia, Nov. 9-10, 1993.
- Farsi HMA, **Mosli HA**, and Al-Zimaity MF. *Lasertripsy in the management of ureteric stone: KAUH early experience*. International Symposium on Recent Advances in Minimal Invasive Surgery, 01-03 November 1994, Riyadh Armed Forces Hospital, Riyadh, Saudi Arabia.
- **Mosli HA**, Farsi HMA and Al-Zimaity MF. *A Proposal for National Epidemiological Study on BPH*. Paper Presented At the Symposium on Benign Prostatic Hyperplasia: Security Forces Hospital, Riyadh, Saudi Arabia, Nov. 10, 1994.
- Farsi HMA, **Mosli HA** and Al-Zimaity MF. *V.L.A.P.: King Abdulaziz University Hospital Early Experience*, Paper Presented At the Symposium on Benign Prostatic Hyperplasia: Security Forces Hospital, Riyadh, Saudi Arabia, Nov. 10, 1994.
- **Mosli HA** and Noor-wali. Effect of oral Magnesium citrate on urinary stone comminution and excretion following ESWL treatment: A prospective controlled study. Paper presented at the 11th Saudi Urological conference, 24-26 February 1998, King Fahad Military Complex, Dhahran- Saudi Arabia.
- Abomelha MS, Al-Jasser A, Taha S and **Mosli HA**. Saudi Prostate Health Council: Evaluation, Diagnosis and management of BPH in Saudi Arabia: A survey of practicing urologists. Paper presented at the 11th Saudi Urology Conference, 24-26 February 1998, King Fahad Military Complex, Dhahran- Saudi Arabia.
- **Mosli HA**, Farsi HMA, Al-Zimaity MF and Atwa MA. The experience of King Abdulaziz University Hospital in the treatment of urinary calculi using the Dornier Doli U/50 Lithotripter. Paper presented at the 12th Saudi Urological conference, 23-25 February 1999, Al-Hada, Saudi Arabia.
- **Mosli HA** and Atwa MA. The age- related prostate gland size as measured by TRUS & TURP specimens in more than 500 patients with different prostatic diseases seen at King Abdulaziz University Hospital in Jeddah. Paper presented at the 12th Saudi Urological conference, 23-25 February 1999, Al-Hada, Saudi Arabia.
- Al-Thobaity FK, **Mosli HA** and Atwa MA. Analysis of causes for surgical removal of the kidney at King Abdulaziz University Hospital in Jeddah, A ten years experience. Paper presented at the 12th Saudi Urological conference, 23-25 February 1999, Al-Hada, Saudi Arabia.
- Al-Ammari, AA, **Mosli HA**, Shobokshi AS and Al-Nori AI. Prevalence of Urinary Incontinence (UI) in Women Attending King Abdulaziz University Hospital (KAUH) Antenatal Unit. Paper presented at the 14th Saudi Urological Meeting, King Fahad Military Complex, Dhahran, Saudi Arabia, 13-15 February 2001.
- **Mosli HA** and Badawod AA. A prospective epidemiological community based study of LUTS and BPH in Saudi Arabia. A paper presented in The 15th Saudi Urological conference: King Fahad general hospital, Al-Madinah Al-Munwarah, Saudi Arabia, May 6-9, 2002.

- Ammari A, Al-Tayeb A, Baazeem A, **and Mosli HA**. Eosinophilic cystitis: A case report and review of the literature. A paper presented at The 15th Saudi Urological conference: King Fahad general hospital, Al-Madinah Al-Muwnwrah, Saudi Arabia, May 6-9, 2002.
- **Mosli HA and** Baazeem A. Results of reconstructive surgery of genital anomalies in post-pubertal males. A paper presented at The 15th Saudi Urological conference: King Fahad general hospital, Al-Madinah Al-Minwarah, Saudi Arabia, May 6-9, 2002.
- 25. Abomelha M, Fallatah A, **Mosli HA**, Al-Fakeeh S and A-Jawiny N. The current status of Urological Training in Saudi Arabia. The 15th Saudi Urological conference: King Fahad general hospital, Al-Madinah Al-Minwarah, Saudi Arabia, May 6-9, 2002.
- **Mosli HA**. Prostate Cancer in Saudi Arabia: A 6 years (1997-2003) update. A paper presented at The 16th Saudi Urological conference, March 2-4, 2004. King Faisal Specialist Hospital and Research Centre: Riyadh, Saudi Arabia.
- **Mosli HA**, Al-Tayib, AMS, Banakhar, MA and Twairigi A.K. BPH patients undergoing surgical treatment: comparison between patients presented with retention of urine with those presented with other symptoms, Paper presented at The 17th Saudi Urology Conference: March 8-10, 2005, King Fahad Military medical Complex, Dhahran, Saudi Arabia.
- Altwarigi A, Atwa M, **Mosli HA** and Al-Tayib AMS. Recognition of the incidence and strategies in the management of steinstrasse, Paper presented at The 17th Saudi Urology Conference: March 8-10, 2005, King Fahad Military medical Complex, Dhahran, Saudi Arabia.
- Abomelha MS, **Mosli HA**, Al-Sharief ST, Fallatah AB, Al-Jawini NA and Al-Zahrani HY. Urology Training In Saudi Arabia: 10 Years Experience. Paper presented at The 18th Saudi Urology Conference: Feb. 20-23, 2006, King Abdulaziz University, Jeddah, Saudi Arabia.
- Banakhar M and **Mosli HA**. BPH: Is There A Difference In The Post Operative Outcome Between Patients Who Had Retention And Those Who Didn't? Paper presented at The 18th Saudi Urology Conference: Feb. 20-23, 2006, King Abdulaziz University, Jeddah, Saudi Arabia.
- Atwa MA, **Mosli HA**, Farsi HM, Tayib A, Al-Haggagi A, Basier M and Saada H. Clinical Experience with ESWL Treatment of 2241 Renal Calculi. Paper presented at The 18th Saudi Urology Conference: Feb. 20-23, 2006, King Abdulaziz University, Jeddah, Saudi Arabia.
- Atwa MA, **Mosli HA**, Farsi HM, Tayib A, Al-Haggagi A, Basier M and Saada H. Retrograde Intra-renal Lithotripsy Outcome in Non-ESWL Responders. Paper presented at The 18th Saudi Urology Conference: Feb. 20-23, 2006, King Abdulaziz University, Jeddah, Saudi Arabia.
- Abdulwahab MH, **Mosli HA** and Altayib AM. The Spectrum of Management of Bladder Exstrophy, Options for the Patient in late Presentation: Paper presented at The 19th Saudi Urology Conference: Feb. 26- March1, 2007, King Saud University, Riyadh, Saudi Arabia
- Alahdal A, Noor A, Baglagel A, **Mosli HA**: The Pattern of Use of PDE5 Inhibitors in Jeddah, Saudi Arabia: A Field Study; , Paper presented at The 20th Saudi Urology Conference: March 17- 20, 2008, King Faisal University, Khobar, Saudi Arabia.

- Mostafa M, **Mosli HA**, Bahy-El-Deen A, Khedr A; The Impact of “Sildenafil Citarte” on the Pharmacokinetics of the anti-seizure drug “Phenytoin”: An animal study, Paper presented at The 20th Saudi Urology Conference: March 17- 20, 2008, King Faisal University, Khobar, Saudi Arabia
- Bankhar M, **Mosli HA**; Percutaneous nephrolithotomy, Effect of BMI on success and complication rates, Paper presented at The 20th Saudi Urology Conference: March 17- 20, 2008, King Faisal University, Khobar, Saudi Arabia
- **Mosli HA**: Is a relationship between circumcision ad prostate cancer? Paper presented at The international symposium on all aspects of male circumcision: Ministry of Health, Al-Baha King Fahd Hospital, 15-16 July 2008, Al-Baha, Saudi Arabia.

RESEARCH PROPOSALS AND GRANTS:

- Role of infection in infertility (Principle-Investigator): research concluded
- Effect of oral Magnesium citrate on urinary stone comminution and excretion following ESWL treatment (Co-Investigator): research concluded
- The Impact of “Sildenafil Citarte” on the Pharmacokinetics of the anti-seizure drug “Phenytoin”: An animal study (Co-Investigator): research concluded
- Detection of human papilloma virus (HPV) infection by molecular tests in patients with prostatic cancer and benign prostatic hyperplasia (Co-Investigator): research ongoing, 2008
- Post-antibiotic effects of different antimicrobial agents on gram-negative clinical isolates (Co-Investigator), research ongoing, 2008

CURRENT RESEARCH ACTIVITIES

1. Clinico-pathological results of TRUS-guided biopsy of the prostate gland
2. A prospective study on the prevalence of prostate cancer in patients presenting with prostatic diseases at King Abdulaziz University Medical Centre- Jeddah, Saudi Arabia.
3. Analysis of PSA levels in more than 5000 patients with prostatic diseases seen at King Abdulaziz University Medical Centre- Jeddah, Saudi Arabia.
4. PUV / Vesicostomy
5. Comprehensive review of Urodynamic studies done in KAUH
6. Detrusor Sphincter Dyssnergia (DSD) and the use of **BOTOX** in its treatment
7. Urolithiasis in pediatric age group
8. Spina bifida seen at KAUH
9. Bladder tumors KAUH experience
10. Renal tumors KAUH experience.

11. ESWL - calyceal angles measurements
12. ESWL - enhancement to clear? use of (1) chemicals (2) mechanicals
13. Microbiology of the urethral plate in children and adults

POST-GRADUATE STUDIES: AND THESIS SUPERVISOR

1. *Dietary habits among urinary stone-formers in the Jeddah area:* Maha Al-Ahdab: Thesis for Masters degree. Degree granted, graded excellent with recommendation for publication. 15/06/1421 H.(2000G).
2. *The prevalence of Benign Prostatic Hyperplasia (BPH) among men over the age of 40 years living in Jeddah South Public Housing Project:* Dr. Abdullah M. Badawood, Fellowship candidate, Arab Board in Community and Family Medicine. PhD degree. Degree granted, December 2001.
3. *Extracorporeal shockwave lithotripsy for the treatment of renal stones:* Hesham Abd Al Wahab Saada. Thesis for partial fulfilment of M.D. in Urology. May 2005. Thesis Discussed and approved, candidate granted to sit for M.D. final examination.
4. *Green light laser prostatectomy, immediate and long term results and complications:* Mohammed Hani Abdulwahab Helal, Thesis for partial fulfilment of M.D. in Urology, Joint thesis: King Abdulaziz University, Jeddah , Saudi Arabia and AlAzhar University, Cairo, Egypt, Study underway commenced March 2008.

COURSES ORGANIZED AND GIVEN

- *Course director and member of faculty* of the 1st King Abdulaziz University Hospital Course in clinical Urology, November 6-11, 1999.
- *Course director and member of faculty* of the 2nd King Abdulaziz University Hospital Course in clinical Urology, March 16-21, 2002. (21 CME hours)
- *Course director and member of faculty* of the 3rd King Abdulaziz University Hospital Course in clinical Urology, April 26- May 1st, 2003. (21 CME hours)
- *Course director and member of faculty* of the 4th King Abdulaziz University Hospital Course in clinical Urology, April 10-15th, 2004. (21 CME hours).
- *Course director and member of faculty* of the 5th King Abdulaziz University Hospital Course in clinical Urology, May 7-12th, 2005. (21 CME hours)
- *Course director and member of faculty* of the 6th King Abdulaziz University Hospital Course in clinical Urology, Jan.5th-10th, 2008. (21 CME hours).

CONFERENCES ORGANIZED

The 18th Saudi Urological Conference organized and held in King Abdulaziz University, Jeddah- Saudi Arabia: February 20th -23rd 2006. (26 CME hours)

AWARDS GRANTED

“Recognition Award for outstanding Services” Awarded by The Arab Association of Urology: In view of dedication and efforts for advancing the science of Urology in the Arab world handed on the 23rd of February 2006.

“Appreciation Award for contributions as The president of the Saudi Urological Association” Awarded by The Arab Association of Urology: handed on the 19th of March 2008.

“Mansourah Medical Award 2007: Awarded by The Mansourah Urology & Nephrology centre to the best Arab researcher in the field of Urology: Announced June 20th 2008.

INVITED GUEST SPEAKER AND STATE OF THE ART LECTURES

- Lecture: **BPH- The Saudi Perspective**
The 13th Saudi Urological Conference, February 14-17, 2000, Riyadh Armed Forces Hospital, Riyadh, Saudi Arabia.
- Lecture: **Incontinence in Females: Aetiology, Prevalence , Diagnosis and Management:** Symposium on Incontinence in Females: September 24, 2003, King Fahad General Hospital, Hofuf, Saudi Arabia:
- Lecture: **BPH in Saudi Arabia**
The 16th Saudi Urological conference, March 3, 2004. King Faisal Specialist Hospital and Research Centre: Riyadh, Saudi Arabia.
- Lecture: **“Benign Prostatic Hyperplasia, Recent Data in The Diagnosis and Management”**
Symposium on BPH and Ageing: 23rd December, 2004-12-24 King Fahad Hospital, Al-Baha, Saudi Arabia (3 CME hours)
- Lecture: **Prostate Cancer: Is it a health Problem in Developing Countries?**
Department of Urology-RAFH, 25th Anniversary Symposium on 18th December 2005 at Riyadh Armed Forces Hospital (6 CME Hours)
- Lecture: **BPH: A Clinical Update**
19th Asir Urology Club: May 8th, 2008: Armed Forces Hospital Southern Region. (7CME hours by SCHS)
